

FOR IMMEDIATE RELEASE:

Bel Air, Maryland - Bike4BreastCancer Harford County Pink Ribbon Ride planned for September 19, 2009.

Bike4BreastCancer, Inc. in partnership with the Harford Velo Cycling Club, and the Chesapeake Cancer Alliance will host the **7th Annual Harford County Pink Ribbon Ride**.

The bicycle ride will kick off at the Susquehanna Center on the campus of Harford Community College in Bel Air, Maryland. Numerous volunteers, cyclists and breast cancer advocates are working with corporate and community supporters to ensure the event is spectacular.

Family rides of 4 miles and 12 miles will augment the **Signature 25 mile Pink Ribbon route**. For experienced riders, there are three challenging routes: a 40 mile, a Metric Century and a 100 mile Century thru the hills of Harford County.

SAG support with convenient rest stops is provided as well as lunch provided by Harford Community College. Start time is 7 am for the longer rides with starts planned for family rides between 7am and 9am.

Upon completion of her first cross-country solo bicycle ride in 1996, Bike4BreastCancer, Inc. founder Kathy Betz was convinced that through cycling, she could reach into the hearts and minds of Americans to promote breast cancer awareness and education.

Along with passionate volunteers, Betz and Bike4BreastCancer have developed a unique program to simultaneously raise money for breast cancer while increasing grassroots awareness of prevention, early detection, and treatment options.

Local Pink Ribbon Rides in towns and cities all across America, Bike4BreastCancer provides tangible support to the local communities involved. With these Pink Ribbon Rides, local breast cancer organizations will receive the majority of the monies raised in their community.
