We extend a special thanks to the Town of Bel Air, Scott Walker and 2K Marketing for their help with the Festival of Trees and to John Sobus for his musical entertainment for the Preview Party. We are very appreciative of the wonderful homeowners and Emmanuel Episcopal Church who opened their residences for our house tour and to the Harford Mall management and merchants for their support and assistance with our gift wrap station.

Sincere thanks and appreciation go to the volunteers of CCA, local service organizations, businesses and community members who work tirelessly in support of our fundraising activities.

Chesapeake Cancer Alliance is a nonprofit organization of volunteers who raise funds through personal projects, major events and community donations. This year we presented Cancer Life Net with \$60,000 for their work in giving free support to area cancer patients regardless of where they receive treatment.

We invite the community to volunteer to help us with our fundraising events . For more information go to www.chesapeakecanceralliance.org.
